

Help Shape the Future of Gillette College

MASTER PLAN DRAFT COMMUNITY OPEN HOUSE

Presented with MOA Architecture

Thursday, June 11
Doors Open 5 PM
Presentation Starts 5:30 PM

Gillette College
TEC Flex
3251 4-J Rd

Gillette College invites community members to attend a public open house to review the **Master Plan Draft** and share input on the future of the college.

Representatives from **MOA Architecture** will present the draft plans, explain the vision, and answer questions. Community feedback is an important part of this process, and your voice will help inform the future direction of campus planning.

See the draft plan. Ask questions. Share your input.
